Company Background

As the industrial sector of Richards Bay expanded, there was an ever increasing demand for hydraulic services in the area. Due to this optimistic opportunity as well as his immense experience in the hydraulic field, Vicky Sirkar founded Bay Hydraulics & Chroming in 2004.

Commencing from a humble one man operation, Bay Hydraulics & Chroming has over the years evolved tremendously and today it is one of the leading hydraulic companies in the North coast of Kwa-Zulu Natal.

We specialise in sales, services and repairs to hydraulic and pneumatic equipment at an exceedingly competitive price; and together with our high standard of workmanship, Bay Hydraulics & Chroming consistently meets and exceeds our client's requirements.

Strategy and Vision

Bay Hydraulics & Chroming envisages on becoming a nationally renowned hydraulic corporation by applying 3 simple steps to reach its aims and objectives:

BEST
SERVICE

We will go the extra mile to ensure that our customers are provided with service that is unsurpassed and unforgettable

HIGHEST
QUALITY

We pledge to supply workmanship and products with superior quality.

COMPETITIVE
PRICES

We will ensure that our costs are affordable and a true reflection of the services and products we offer

Mission Statement

Our mission is to exceed our customers' expectations in quality, delivery and cost through continuous improvement and customer interaction.

HYDRAULICS AND CHROMING

"Whether its leaking, sucking, pushing, pulling...we can fix it!"

Bay Hydraulics has a wide range of expertise within the hydraulics and pneumatics environment and has successfully completed many projects for a variety of clients. We are a strong, versatile and highly productive company.

Bay Hydraulics assures you that our services are consistently of high quality and value. We endeavour to fulfil our clients' requirements at all times as it is their support that vindicates our existence and propels our growth and prosperity.

If you require any further discussion or information, then please don't hesitate to contact us.

We wish to be of service to you in the very near future.

Business Competitiveness

The “hands-on nature” of the Founder, allows direct contact with our clients giving them surety of our support and commitment.

We have standby personnel available 24 hours, 7 days a week and 365 days a year!

This type of devotion weaved with its integrity, firm efforts and quality driven work ethic sets BAY HYDRAULICS and CHROMING apart from the rest.

“.. standby personnel available **24 hours**, 7 days a week ..”

Quality and Safety

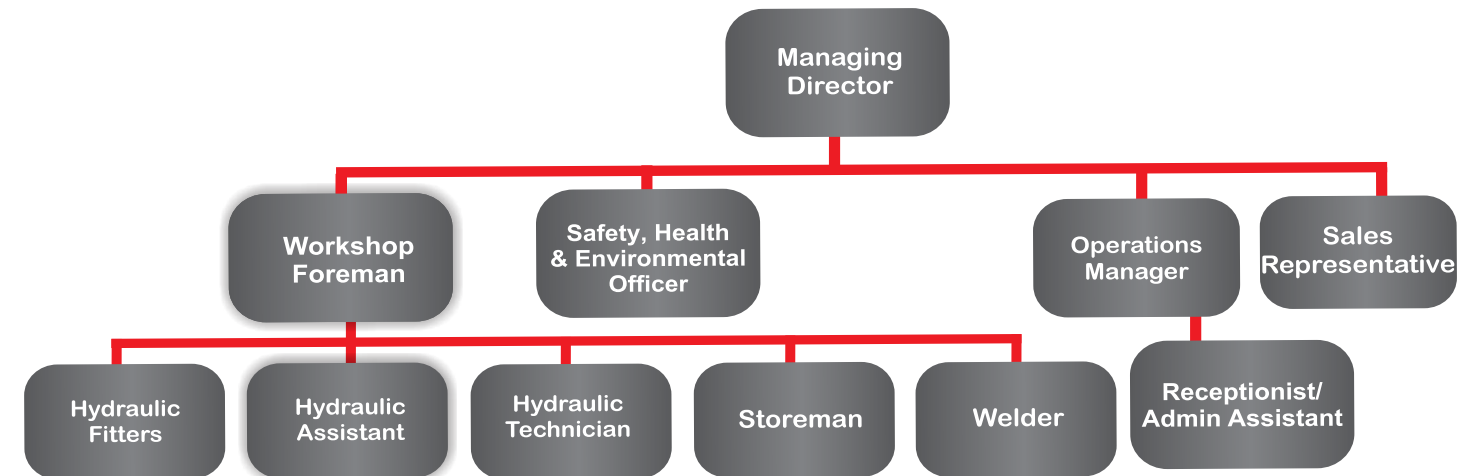

Bay Hydraulics and Chroming believes that safety is a step to success and this is evident in our commendable LTI record.

Our team is properly trained and informed of the necessary health, safety and quality requirements and adheres to the relevant policies and procedures, both within our business and at our customer's premises.

In November 2013, the company achieved the ISO 9001 (2008) SABS accreditation. This was a well-deserved reward for the years of hard work and dedication.

Company Structure

Social Obligations

Bay Hydraulics is actively involved in "giving back" to the community. This is in the form of sponsorships, donations and community projects.

We also ensure that suppliers, service providers and recruitment are sourced from our local community to ensure economical and developmental growth in our region.
