Company Background

As the industrial sector of Richards Bay expanded, there was an ever increasing demand for hydraulic services in the area. Due to this optimistic opportunity as well as his immense experience in the hydraulic field, Vicky Sirkar founded Bay Hydraulics & Chroming in 2004.

Commencing from a humble one man operation, Bay Hydraulics & Chroming has over the years evolved tremendously and today it is one of the leading hydraulic companies in the North coast of Kwa-Zulu Natal.

We specialize in sales, services, repairs and manufacture of hydraulic and pneumatic equipment at an exceptionally competitive price; and together with our high standard of workmanship, Bay Hydraulics & Chroming consistently meets and exceeds our client's requirements.

“**BAY HYDRAULICS & CHROMING MEETS AND EXCEEDS OUR CLIENTS' REQUIREMENTS.**”

Strategy and Vision

Bay Hydraulics & Chroming envisages on becoming a nationally renowned hydraulic corporation by applying 3 simple steps to reach its aims and objectives:

BEST SERVICE

We will go the extra mile to ensure that our customers are provided with service that is unsurpassed and unforgettable.

HIGHEST QUALITY

We pledge to supply workmanship and products with superior value.

COMPETITIVE PRICES

We will ensure that our rates are affordable and a true reflection of the services and products we offer.

Mission Statement

Our mission is to exceed our customers' expectations in quality, delivery and cost through continuous improvement and customer interaction.

Combined with a dedicated team, durable machinery and proven systems, Bay Hydraulics & Chroming strives to enhance production efficiency. We are equipped with both the knowledge and resources required to conform to the demands of the industry.

Business Competitiveness

“.. standby personnel
available **24 hours**,
7 days a week ..”

The “hands-on nature” of the founder, allows direct contact with our clients giving them surety of our support and commitment.

We have standby personnel available 24 hours, 7 days a week and 365 days a year!

This type of devotion woven with its integrity, firm efforts and quality driven work ethics set BAY HYDRAULICS and CHROMING apart from the rest.

Quality & Safety

Bay Hydraulics & Chroming believes that safety is a step to success and this is evident in our commendable LTI record.

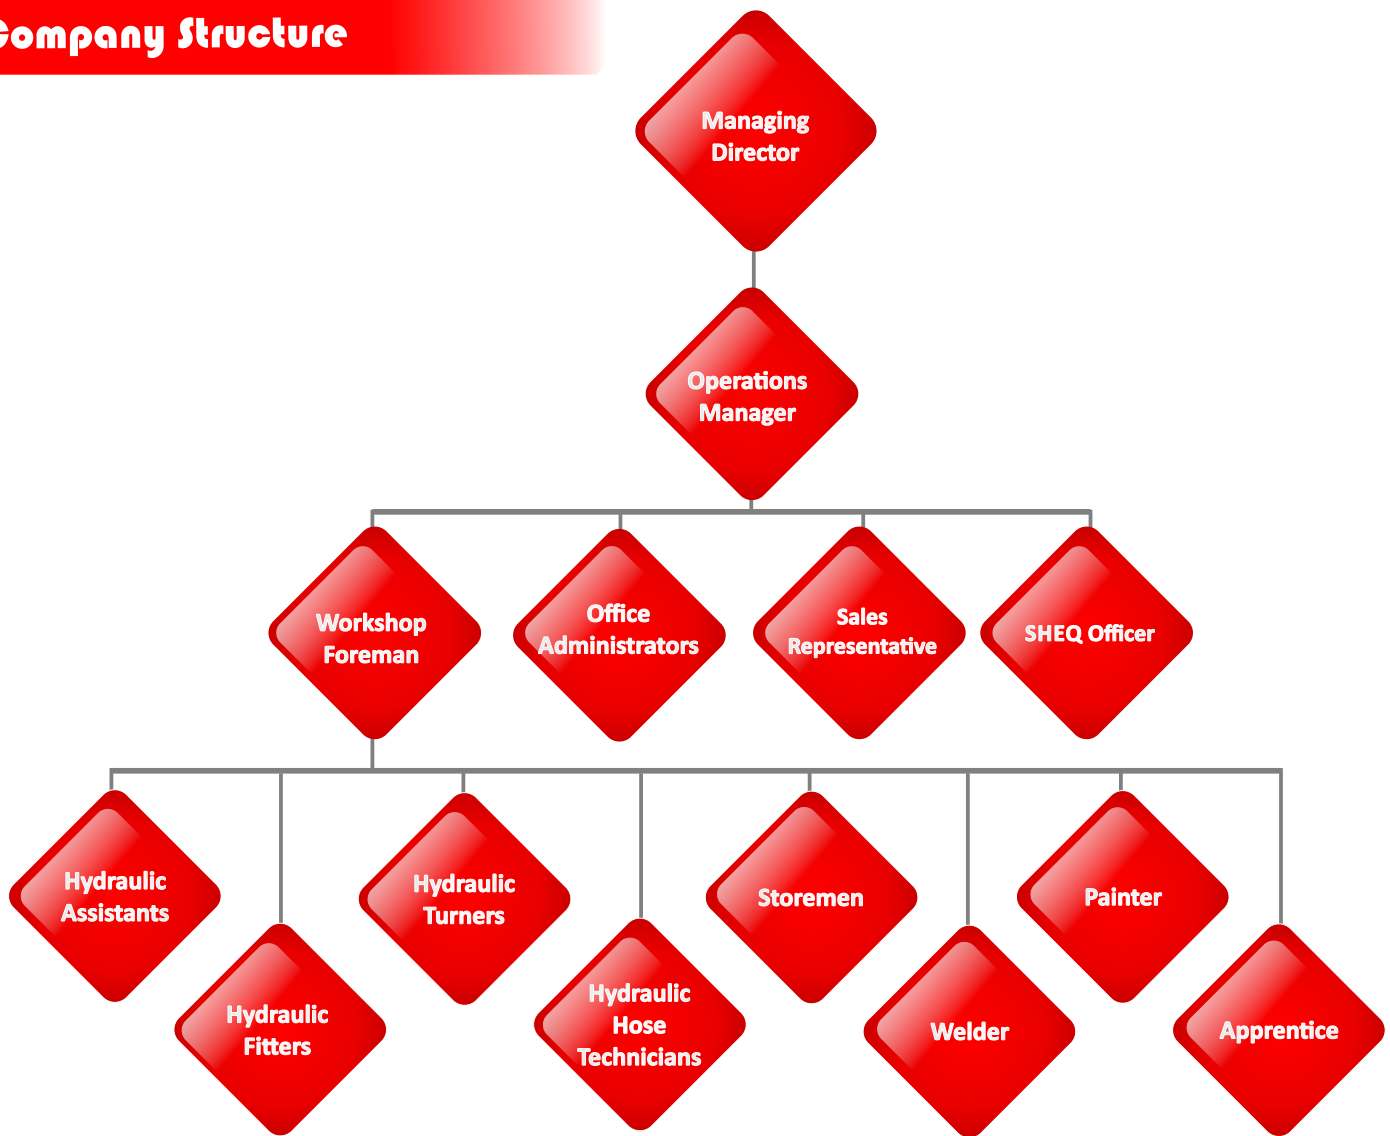

Our team is properly trained and informed of the necessary health, safety and quality requirements and adheres to the relevant policies and procedures, both within our business and at our customer's premises.

We currently hold the following accreditations:

- SABS ISO 9001 for Quality
- Technilaw 5 Star Grading for OHS
- RMI MIWA Member
