Dear Bay Hydraulics and Chroming

I am writing to respectfully request a football jersey and soccer balls for Young Stars (Covid) under Fifteen (15) and Thirteen (13). As a team Manager I am excited to showcase your brand with my young team.

Here are some benefits of sponsoring our team(s)

- Increased brand visibility through our matches and events.
- Association with a positive and active community.

In exchange for your sponsorship, we can offer:

- Your Logo prominently displayed on our jersey(s).
- Acknowledgement on our social media channels and website.
- Brand promotion through our match-day.

Your contribution will assist the young players to achieve their goals in future and see themselves playing professional football.

Please consider partnering with us. I look forward in discussing this opportunity further.

Thank you for your time and support.

Best regards
Stanley, S Mbambo
