Company Background

As the industrial sector of Richards Bay expanded, there was an ever increasing demand for hydraulic services in the area. Due to this optimistic opportunity as well as his immense experience in the hydraulic field, Vicky Sirkar founded Bay Hydraulics & Chroming in 2004.

Commencing from a humble one man operation, Bay Hydraulics & Chroming has over the years evolved tremendously and today it is one of the leading hydraulic companies in the North Coast of Kwa-Zulu Natal.

We specialize in sales, services, repairs and manufacture of hydraulic and pneumatic equipment at an exceptionally competitive price; and together with our high standard of workmanship, Bay Hydraulics & Chroming consistently meets and exceeds our client's requirements.

**BAY HYDRAULICS &
CHROMING MEETS
AND EXCEEDS OUR
CLIENTS'
REQUIREMENTS.**

Strategy and Vision

Bay Hydraulics & Chroming envisages on becoming a nationally renowned hydraulic corporation by applying 3 simple steps to reach its aims and objectives:

Mission Statement

Our mission is to exceed our customers' expectations in quality, delivery and cost through continuous improvement and customer interaction.

BEST SERVICE

We will go the extra mile to ensure that our customers are provided with service that is unsurpassed and unforgettable.

HIGHEST QUALITY

We pledge to supply workmanship and products with superior quality.

COMPETITIVE PRICES

We will ensure that our rates are affordable and a true reflection of the services and products we offer.

Combined with a dedicated team, durable machinery and proven systems, Bay Hydraulics & Chroming strives to enhance production efficiency. We are equipped with both the knowledge and resources required to conform to the demands of the industry.
